These copies of the twenty-five cigar "Series of 1960" were issued in 1965 for use *without control numbering*. These *late-usage* copies are printed on medium weight crisp wove paper, with a *linear composite* mesh - almost with *modern laid paper* lines, but not nearly as dramatic as the laid paper of the 1860's. It doesn't seem to matter how one holds the stamp - the mesh appears to be *horizontal* when held in one direction, and *vertical* when held in the opposite direction.

★**RG-706** - 25 cigars, black, *coarse roulette*, with ***BLACK denomination figures***, without control numbering,
[these stamps ***do not*** have a *vertical roulette* - scanned at 80% scale]
